**Marketplace — Be Seen**

**MAKING MONEY MAGAZINE**, a leading provider of expertise in small- to mid-size business strategies, financial insights and technology innovations, helps 21st century entrepreneurs succeed in the the new economy. Each issue our editors and writers publish articles full of insight on tips for financial success, venture capital opportunities, strategic business planning, technology applications, and more. Readers of Making Money learn how to get rich while also finding personal success in the new millenium.

Readers pickup our magazine from an established network of over 800 locations. In the Sacramento Region it is readily available at outdoor news racks, cafes/ restaurants, office complexes, college/universities, shopping centers, computer stores and more.

Every month this ubiquity guarantees our advertisers a powerful exposure to a high growth and uniquely qualified marketplace.
